PRIMALIS COLLECTION

STYLIST LOOKBOOK

RAW DENIM

APPLE LEATHER

COTTON

PRIMALIS traces a movement from imagination to awareness, and from awareness to action.

Raw denim, AppleSkin™, cotton and functional forms move between softness and structure, familiarity and the unexpected.

Designed across women’s, men’s and unisex pieces, the collection is intended to be styled freely rather than confined to a single category.

Made to order in Romania. At least half of profits support animal charities.
